INTERLACHEN

Foreword

The year nineteen forty-nine has brought many changes to Florida Southern College; new buildings, new faces, and a new spirit. When enough time has passed to dim the memories of the years spent among the pleasant surroundings of the campus, it is hoped that this *Interlachen* will serve to recall every one of these precious moments to you. In preparing this volume, the Editors have endeavored to select the material which most vividly portrays the events which we feel were most representative of this year. May this book keep those memories constantly before your eyes in the years to come. It is with this purpose in view that the nineteen forty-nine *Interlachen* has been published.

PRESIDENT'S MESSAGE

Here is the INTERLACHEN for 1948-49. Much hard work has gone into the creating of this book. The whole staff deserves the commendation of the faculty and students.

To the Seniors, who are going out of Florida Southern College for the last time, I give my very personal regards. I hope for each one of them a large place in the ongoing of our world.

To the students who are to return and who have not graduated, I want to wish for them a very happy vacation and a safe return to the college in 1949-50.

The prospects for next year are good. We do not want more students than we have. We hope to improve the quality of the college. We are working hard for a good Freshman class.

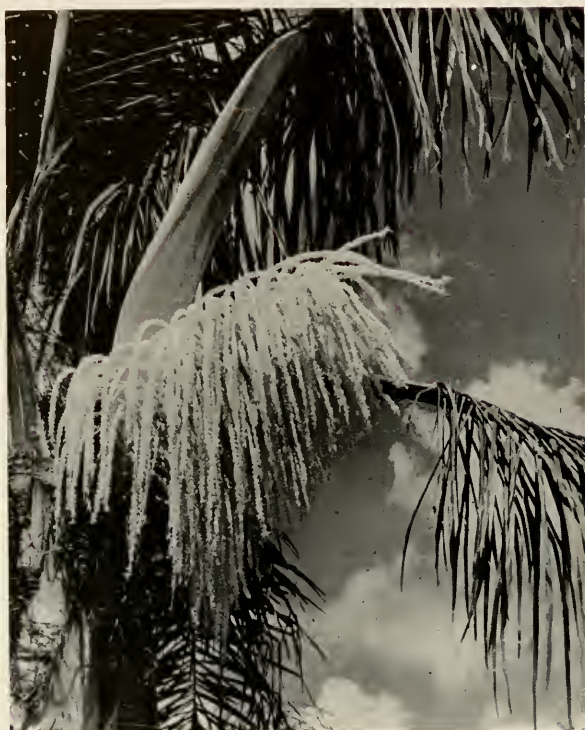

Ludd M. Spivey
President

DEDICATION

This annual is dedicated to MISS OWEEN SUMNER, our Librarian. Miss Sumner is not only an efficient librarian, but, along with her competence, she has a wonderful spirit. Her friends

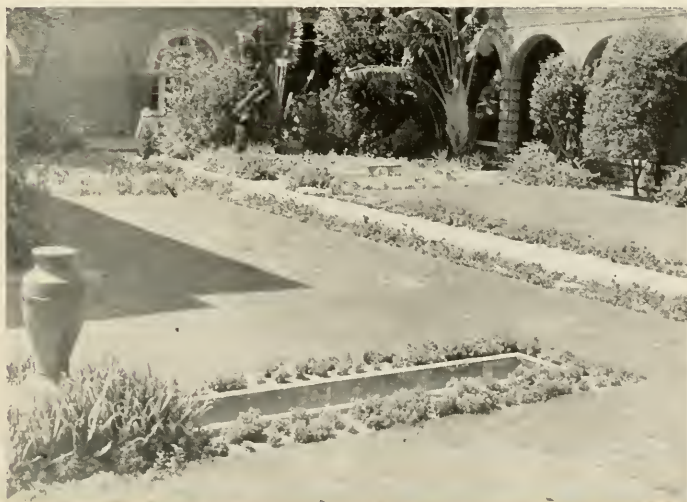

among the faculty, students, and the community are almost numberless. Her loyalty to her college, and her church, and her friends, and her position is unsurpassed. The President of the college, the faculty, and students all join gladly in this dedication of our INTERLACHEN to her.

Playing a vastly improved floor game this year, Coach Dick Morland's Moccasins showed themselves to be a team whose prowess on the court could not be under-rated. Playing some erratic ball through the season, but always putting up a good fight the 1949 Mocs were a team of which the College can be justly proud. Gene Robbins ranks high among the best players in the Southeast, with Chuck Terry running a close second. Deedrick and Pegg kept the opposition on their toes with their brilliant

floor play and ball-handling. Lanky Don Kumm at center provided much-needed height to the pint-sized Mocs. However, lack of height was not too great a handicap, for even though a stick of dynamite is only 8 inches tall, it still packs a terrific wallop.

2 points for Southern

Pegg takes off in a jump

Perhaps the peak was reached when Southern handed the U. of Fla. five a 51-50 upset, winning by the narrow but sufficient margin of Terry's foul shot. Long underdogs to the 'Gators, this game had an especial significance, being the first time that the Mocs have ever tripped the 'Gators. Revenge was sweet when the Mocs avenged a 74-66 loss to Tampa U. in a questionably officiated game, by later handing the Spartans a 64-57 drubbing.

Sparked by Robbin's and Terry's floor play, the Mocs played some inspired ball through the season. Zovath contributed his steady and dependable floor play, and piled up points with his overhead push shots. With Tolle, Wooge, and Giordano providing dependable relief, the Mocs were a well-coordinated unit, capable of striking fear into the strongest teams.

Junior Varsity: *Left to right*: Anderson, Kumm, Sheehan, O'Brien, Miller, Fisher, Judson, Malsey, Billstrand, Giordano, Flatly.

JUNIOR VARSITY

Able coached by Jim Anderson, the Baby Mocs showed great promise as future varsity material. Playing against some very good J. V. teams, the embryo Mocs showed some fine floor play and good ball handling.

WATER MOCCASINS

Varsity Crew: *standing, left to right*; Risler, Tipaldo, Gilleran, Waters, Cating, Stevens, Locke, Couch. *Kneeling*, Coxwain, Quarnstrom.

Under the mentorship of Coach Roy Couch, Southern's newest sport grew rapidly into a well-rounded and seasoned group of oarsmen. From the vast hordes that answered the call in October, Coach Couch selected a group of men, only two of which had ever seen a shell before, to form a nucleus from which to build a crew. Under the rigorous training schedule laid down, the boys soon learned that there were other kinds of shells besides those surrounding peanuts.

Junior Varsity: *standing, left to right*: Leins, Giuffrida, Pedersen, Becker, Foster, Abajian, Hilton, Dudgeon. *Kneeling*: Coxwain Healy.

The crew demonstrated their potentialities, at the annual Gasparilla regatta in Tampa, where they were nosed out by the Rollins crew by a scant foot. As Rollins is touted as one of the best small college crews in the country, great things should be expected as soon as the team gains in experience.

1948 Varsity Baseball Team: *standing, left to right*: Coach Grannell, Anderson, Hionides, Julich, Ramsdell, Stewart, Williamson, Subbiondo, Collins. *Kneeling*: Manager Goodwin, Decker, Albus, Green, Terry, Trainer Fay, Asst. mgr. Cieri.

This season marked the second year that Southern has fielded a baseball team, and the improvement over the previous squad was miraculous. Coach Vince Grannell's boys turned in a fine performance, winning 11

Joe Green sending one for an extra base

and losing 10, playing against some of the toughest teams in the Southeast. Unhampered this season by the sore arms that plagued the previous squad, Southern's fielding shut out many an opponents' hit, while the Moes big bats spelled poison to some powerful teams.

Sparked by the brilliant generalship of Catcher Joe Green, the mound staff turned in some fine performances backed up by excellent fielding.

*Standing, left to right; Winchell, Owsley, Kenrich, Seymour, Lang.
Kneeling; Coach Bouchet, Weaver, Gregg, White, Holland, Ergle.*

Under the pre-season mentorship of Coach Bouchet, the tennis team was in good shape for Varsity Coach Morland when Basketball season ended. Stronger than ever, the team presented a tough obstacle for visiting teams.

With Coach "Chuck" Collins tutoring, the Golf team was stronger than ever this year. Sparked by returning lettermen Dees and Micone, the new men on the squad showed visiting teams that Moccasin venom could be poisonous.

*Standing, left to right; Coach Collins, Micone, Fisher, Boerum, Beach.
Kneeling; Eastman, Hetrick, Dees, O'Hara. Not present; Tomlinson.*

Cheerleaders, *left to right*: Fisackerly, Smith, Turner, Johnson (standing),
Buchanan, Watkins, Todd, Leslie.

SOUTHERN'S CHEERLEADERS

Under the direction of Miss Roller, Southern's cheerleaders have boosted student spirit considerably.

Cheerleaders grabbing for the roof at one of the Basketball games.

This season marked some of the best intramural ball in the history of the sport. The teams played some fine ball games. Some of the fancy laterals, reverses, and aerial attacks would have delighted any professional ball player.

MISS ELIZABETH ROLLER

Women's Intramural Board

The Women's Intramural Board tries to promote intramural sports among all the girls in college. It selects a manager for each sport who is in charge of awards given to individuals and teams. These awards are medals and trophies and are given for high scoring and individual achievement. The board sponsors the annual pageant of horses and special play day activities with other schools. It has been on campus about five years and acts as the executive board for all sports other than regular class activities. The members are elected by their own sororities and organizations.

FLORIDA POWER & LIGHT COMPANY

SPEEDY FLAME

Your Sunshine Servant

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
